### Gates for Crossings Promised Clarksburg CLARKSBURG, March 28 .- An-

nouncement was made yesterday following a conference between city officials and Baltimore and Ohio railroad officials, that the railroad will install automatic safety gates at seven different dangerous crossings in this city as soon as it is possible to ship the gates here, which will be about April 1. Until the gates are put into operation the railroad will employ two watchmen at each crossing from 6 a. m. until 11 p. m. daily. An ordinance requiring the railroad After investing \$400,000,000 on the company to erect these gates was Panama canal the U.S. government passed sometime ago, but they were never put up. Several persons have ital ship will be too big to pass never put up. Several persons have through the locks. These locks are lately been killed and injured at sev-110 feet wide.
